Part of the By-Law concerning ELECTIONS.

- I. **W** Hereas it hath been found by Experience, That many Uncertainties and Inconveniencies have hapned, for want of a due and regular Method of Proceeding at General Courts of Election; for Remedy whereof, in time to come,
- II. It is hereby ordained and appointed, That at every General Court for any Election, every Member qualified to Vote, and being present, shall deliver in Writing a Note or List, containing the Name or Names of such Person or Persons (Members of this Corporation) respectively qualified, according to the Tenor of the Charter, as he thinks fit to serve, and execute the Office or Employment for which such Election is to be had or made; And that at every General Election, each Elector shall deliver in Writing, only the Name of one Person qualified for the Place of Governour, and only the Name of one Person qualified for the Place of Deputy-Governour, and no more; And for Directors, a List of the Names of four and twenty Persons qualified for Directors, and no more, nor less: And that in case any Person shall deliver in Writing any more than one Name for the place of Governour, one Name for the place of Deputy-Governour, or a List of any more or less than four and twenty Names of Persons qualified for Directors, the same shall be reputed and deemed as no Vote, and the said List and all the Names therein, shall be totally rejected.
- III. And that in case at any General Court of Election of Directors, any Person shall in such List insert the Names of any more than Sixteen of those Persons who were chosen into, and did serve the Office of Directors the then last preceding Year, the same List shall in like manner be rejected.
- IV. And that if in any List for Directors, there shall be inserted the Name, either of the Governour or Deputy-Governour, elected for the ensuing Year, such List shall be rejected.
- V. And that no Note or List shall be received for any Election, after the Glass is finally Sealed up, according to the Time prefixed for the doing thereof, but such Note or List shall be rejected.
- VI. And that if any Member of this Corporation, shall hereafter use or procure to be used, any indirect Means, to obtain any Vote or Votes for the Election of Himself, or any other to be Governour, Deputy-Governour, or Director of this Corporation, and be thereof declared Guilty, at a General Court to be called for that purpose, such Person shall from thenceforth for ever, be incapable of being Elected to, or holding any such Office or Place.

Note, That where Two or more Persons of the same Name, are Qualified to be chosen Governour, Deputy-Governour, or Directors, their Additions are inserted for Distinction; which Additions, all Persons who give in their Votes, are desired to insert in their Lists.
